HORIZON TEAK & SEAPORT SEAT

Inspired by the tradition of the sea.

Great Grabz has created warm-to-the-touch teak shower seat and grab bars. Teak has been used for centuries by seafaring ships – prized for its durability in challenging weather conditions. Finished with natural tung oil, the preferred finish of custom woodworkers and an historical preservative for ocean-going ships, tung oil showcases the rich, warm colors of the wood grain while creating one of the longest-lasting, natural water-proof finishes. Less maintenance for you!

Sustainably harvested teak from organic, Forest Stewardship Council (FSC) plantations, your purchase supports the 7th generation concept of protecting the environment for generations to come.

Available in lengths of 10, 12, 18, 20, 24, 30, 36 and 42 inches.

- Interchangeable mounts
- Meets ADA weight requirements
- Easy to install

Seaport Seat

Elegant & spa-like,
environmentally correct,
durable, and less maintenance
than most other teak.
Stainless steel legs, adjustable
feet swing up out of the way
when not in use.
Safely supports 250 pounds.
22" x 16" seat area

SPLASH PEAK
